A DAILY SLICE OF HOLIDAY

Glass house

PROJECT

Detached house | Melle, Germany

SOLUTION

SDL Atrium plus canopy, SL 25 XXL slide-and-turn

“We barely used to use our patio at all. There was always a draught coming from somewhere, or it was cold or raining. But now, we really love winding down here at the end of the day. Being able to look over our garden helps us relax after work and recover our energy for tomorrow.”

THE MEINERT FAMILY
